Changes to Service 35 from Sunday 21 July 2024

So as to improve reliability for customers, there are some timetable changes. These timing changes are designed to better reflect prevailing traffic conditions, with the biggest changes occurring during morning and afternoon school periods.

However, general frequencies remain unchanged, with buses running up to every 30 minutes during Monday to Saturday daytimes, and every hour during Sunday daytimes.

What to do if things go wrong:

We do our best to meet your expectations, but occasionally things go wrong.

If you feel we have failed you in some way please tell us about it. Contact details are on the back of this leaflet.

If you are unhappy with our response, this independent body will review complaints:
